LEARN TE-AMIM (HAFTARAH)
LESSON 4 - REVIA PHRASES

REVIA MESHARETIM (SERVANTS)

Almost half of the time, Revia appears by itself with no helpers. Another 1/3 of the time it is helped by the Shofar-Holech.

שׁוֹפָר־הוֹלֵךְ־פָּסֵק | - Sometimes the word with the Shofar-Holech is followed by a vertical line which is called a Pasek, in this case it is called a Shofar-Holech-Pasek.

Note: When the Shofar-Holech with a Pasek is NOT in a Revia phrase, it is simply called a Shofar-Holech.

The Pasek | always tells you to take a pause after the word it follows.

NOTE: When the Revia appears with just the Shofar-holech-pasek or by itself, it has a slightly different sound.
